

**2016 Summit on Environmental Hazards & Health Effects
Working Agenda**

Tuesday, January 26, 2016 Day 1					
Time	Sessions				
7:30 a.m. – 12:00 p.m.	Registration				
9:00 a.m. - 11:30 a.m.	Workshop 1 - W-1 T3-CDC Clear Communication Index	Workshop 2 - W-2 T5-Intro to Evaluation	Workshop 3 - W-3 T3-Communicating Program Success	Workshop 4 - W-4 T2-Disaster-Related Mortality Surveillance Training	
11:30 a.m. – 1:00 p.m.	Lunch				
1:00 p.m. – 2:30 p.m.	Opening Plenary (Pending Speaker confirmation) PL-1 – 15/30/30 & 15 for Q&A				
2:30 p.m. – 2:45 p.m.	Afternoon Break				
	Breakout Sessions				
2:45 p.m. – 3:45 p.m. 15 minutes per presentation & 15 minutes Q & A	Session – BO-1 T5-Syndromic Surveillance of Climate & Health Effects T4-Projecting Climate-Related Disease Burden T4-Climate Change Impacts on Private Wells	Session BO-2 T4-Hosp. for Heat Stress Illness in Rural & Urban Areas T4-Impact of Heat Index on Emerg. Dept. Visits & Death in the NE T4-Investigation of Cold-Related Deaths in NYC, 2009-2015	Session BO-3 T1-National Alliance for Radiation Readiness: Leveraging Partnerships to Increase Preparedness T1-The Conference on Radiation Control Program Directors: Partnering for Radiation Protection in the US T1-Radiation Response Volunteer Corps, a Successful Partnership	Session BO-4 T1-One Health Surveillance of Harmful Algal Bloom-related Illnesses T2-Monitoring and Responding to Harmful Algal Blooms in VT T4-Exposure Assessment for a Cohort Study of the Effects of Flooding on Mental Health England	Session BO-5 T4-Revisiting the Association Between Asthma & Allergy T4-State-Level Medical & Absenteeism Costs of Asthma T4-Using Rates by Indian Health Service Delivery Areas to Estimate Asthma Burden...
3:50 p.m. – 4:50 p.m.	Session – BO-6 T5-Evaluating Mortality Surveillance During & After Hurricane Sandy: NYC, 2012 T4-Evaluating the Relationship between the Social Vulnerability Index & Hurricane Sandy-Related Deaths T4-Strategies to Reduce Indoor Mold & Dampness & Improve Respiratory Health	Session BO-7 T3-Developing a Training for Investigating Outbreaks of Toxic Etiology T4-Severe Illness Associated with Reported Use of Synthetic Cannabinoids-MS, April 2015 T4-Outbreak Investigation of Adverse Health Effects Following Use of Synthetic Marijuana, CO, Sept 2013	Session BO-8 T2-Developing a National Pollen Surveillance Network: From Collaboration to Action T1-Building a Climate Change Adaptation Process via Regional Public Health Networks T3-Climate & Health Indicator Planning in WA State	Session BO-9 T3-Asthma & Air Quality T3-Asthma & Air Quality: Reducing the Burden of Asthma at Work T3-Asthma & Air Quality: Clean Air @ Home, School, & Work T3-Asthma & Air Quality: Developing Asthma Education Resources for Hispanics	
5:00 p.m.	Adjourn				

Wednesday, January 27, 2016
Day 2

Time				
7:30 a.m. - 9:00 a.m.	Registration			
9:00 a.m. - 10:30 a.m.	Keynote – McCarthy and Koh (Requested) PL-2			
10:30 a.m. - 10:45 a.m.	Morning Break			
	Breakouts Sessions			
10:45 a.m. – 11:45 a.m. 15 minutes per presentation & 15 minutes Q & A	Session – BO-10 T1-Wildfires, Emergency Response, and WTN T1-A Collaboration Evaluation of the Maricopa County Cooling Ctrs, 2014 T1-Lessons Learned from a Collaborative Occupational Heat Exposure Pilot Using iButtons	Session BO-11 T1- Using Remote Sensing and Environmental Data to Quantify Social Vulnerabilities to Heat Stress: A Multistate Collaborative Project - NASA Funded T4-An Evaluation of ME’s Case Based CO Poisoning Surveillance System T4-Large-Scale CO Poisoning at an ICE Rink in WI	Session BO-12 T2-The Future of Geocoding-New Methods & Approaches with Parcel Data T4-Sub-County Environmental Health Data: Developing Profiles & Interactive Tools to Support Local Health T4-Tracking Sub-county & Sub-Year Variations in Pre-Term Birth	Session BO-13 T5-The Heatwave Plan for England: Evaluation of the Health Impacts & Responses to a Period of Severe Heat... T2-A Novel Heat-Health Tool: Predicting Heat Illness for Decision Makers T4-An Assessment of Exposure-Response Relationships between Extreme Heat & Cause-Specific Hospitalizations...
11:45 a.m. - 1:10 p.m.	Lunch – Poster Session			
1:10 p.m. - 2:10 p.m.	Session –BO-14 T4-Use of CASPERs to Rapidly Assess Public Health Threats-US, 2003-2012 T2-Using CASPER Pre-emptively: Heat Vulnerability & Emergency Preparedness Needs Assessment, Maricopa, 2015 T2-Conducting Drought CASPERs in California	Session BO-15 T4-Electronic Health Records & Environmental Public Health Tracking T3-Using the Environment & Health Data Portal to Teach Science & Math T2-Creating an Interactive Data Query Tool Using Today's Web Standards	Session BO-16 T2-Environmental Health in Community Health Needs Assessments & Community Benefit Activities T2-NEEF’s Pediatric Asthma Initiative T1-New & Innovative Partnerships Established by the NACP to Promote PH Health Care Collaboration & Reim...	Session BO-17 T4-Novel Data & Techniques for Assessing Health risk to Climate-Related Exposures T1-Innovative Approaches to Tracking Data Utilization & Collaboration: MN Air & Health initiative T4-Adverse Weather Conditions & Fatal Motor Vehicle Crashes in the US, 1994-2012
2:15 p.m. - 3:00 p.m. 45 minutes per roundtable 2 roundtables in each room	Roundtable RT-1 T2-Topics Improving CO Poisoning Surveillance T1-The Case of Environmental Interventions in the Built Environment for Prevention of Chronic Diseases	Roundtable RT-2 T1-Build, Share, & Explore Environmental Data: Partnering w/Exchange Network Users... T2-Roundtable on Death Scene Investigation Practices for Deaths Associated with Natural Disasters	Roundtable RT-3 T1-Poison Center & PH Collaborations Community of Practice T2-Engaging Community Environmental Health Concerns	Roundtable RT-4 T1-Effects BRACE Initiative: Using Spatial Analysis & Community Engagement to Overcome Emergency... T3-Transforming Data into Information through the Use of Rankings

3:00 p.m. – 3:15 p.m.	Afternoon Break			
3:15 p.m. – 4:00 p.m.	Roundtable RT-5 T1-Bringing Together a Region to Combat Pediatric Asthma: Southern Illinois Univ. School of Medicine’s Mission T2-State Asthma Program Approaches to Comprehensive Asthma Home Assessments	Roundtable RT-6 T1-Partnering to Provide a Unified & Reliable Public Health Response to Wildfires in MT-Successes & Lessons Learned T1-Northeast Regional Heat & Health Collaboration	Roundtable RT-7 T1-A Framework for Assessing Published Climate Effects Interventions T1- Some Kind of Wonderful: Successful Collaboration During an Investigation of a Cluster of Elevated Blood Lead Results, CO, October 2014	Roundtable RT-8 T1-Characterizing & Managing the Global PH Burden Due to CO Exposures-Exploring Opportunities for International Collaboration T1-Collaboration on Asthma Data: the CA Asthma & Tracking Programs Working Together
4:05 p.m. - 4:50 p.m.	Roundtable RT-9 T5-Evaluation of the CDC’s BRACE Framework T5-Drafting a Strategic Evaluation Plan for the Illinois Asthma Program: Successes, Challenges, & Lessons Learned	Roundtable RT-10 T5-Learning as We Grow: Evaluation Use T1-Improving Disaster-Related Mortality Surveillance through Innovative Partnerships	Roundtable RT-11 T1-The D.AT.A. Program: Developing Innovative Partnerships to Investigate Health Impacts of Climate Change Using Environmental PH Tracking Data T3-Making Environmental Health Data Personal: Health Communications Innovations and Lessons Learned	Roundtable RT-12 T1-HEALTHY-POLIS: Challenges & Opportunities for Urban Environmental Health & Sustainability T3-Cell Suppression Strategies: Where are we and where are we headed? T1-Sustainable funding for comprehensive asthma control services
5:00 p.m.	Adjourn			
6:00 p.m. – 8:00 p.m.	ASTHO Networking Reception – Invitation Only			

Thursday, January 28, 2016

Day 3

Time	Sessions				
9:00 a.m. – 10:00 a.m.	Keynote – EPA & NASA & ASTHO (FOCUS ON PARTNERSHIP/COLLABORATIONS)				
10:00 a.m. - 11:30 a.m.	<p>International Plenary</p> <ol style="list-style-type: none"> Environmental precursors of infectious diseases in Europe - Jan Semenza, ECDC Environmental & public health tracking to advance environmental health: an opportunity to fill the gap between science and public health practice - Paolo Lauriola, Environment Agency of Italy The English National Study of Flooding & Health: first year results – Isabel Oliver, Public Health England Carbon monoxide poisoning surveillance: the French national surveillance system - Agnes Verrier, InVS The Cold Weather Plan for England: combining year round actions to address wider cold-related health determinants with winter emergency planning and response - Angie Bone, Public Health England <p>120, 121, 132, 137, 141</p>				
11:30 a.m. – 1:00 p.m.	Lunch – Poster Session				
	Breakout Sessions				
1:00 p.m. – 2:00 p.m. 15 minutes per presentation & 15 minutes Q & A	<table border="1"> <tr> <td> <p>Session BO-18 T2-The Price of Beauty</p> <p>T4-Exposure of Artificial Turf & Potential Health Effects-A Summary of the Literature</p> <p>T2-Sewer Gas Odors & Related Health Concerns at a Middle School in CO</p> </td> <td> <p>Session BO-19 T5-Estimated Reduction in EMS-treated Asthma Attacks...</p> <p>T5-Best Laid Plans: Strategies, Tools, and Lessons Learned Evaluating a New Promotora-Centered...</p> <p>T5-Facilitating Office Visits after a High-Risk Asthma Event</p> </td> <td> <p>Session BO-20 T3-Responding to all Phases of a Disaster: An Overview of HSB's DERT Tools, Templates, & Documents</p> <p>T1-Proposals for an International Training Initiative to Tackle Global Issue in Enviro Public Health Disasters</p> <p>T1-The Sendai Framework for Disaster Risk Reduction 2015-2030: What does this mean for the scientific & health community</p> </td> <td> <p>Session BO-21 T2-Workgroup Suggestions for Home-Based Strategies to Decrease Asthma</p> <p>T2-Using In-Home Asthma Services to Improve the Health o Low Income Children w/Asthma</p> <p>T2-There's no Place Like Home for Asthma Education</p> </td> </tr> </table>	<p>Session BO-18 T2-The Price of Beauty</p> <p>T4-Exposure of Artificial Turf & Potential Health Effects-A Summary of the Literature</p> <p>T2-Sewer Gas Odors & Related Health Concerns at a Middle School in CO</p>	<p>Session BO-19 T5-Estimated Reduction in EMS-treated Asthma Attacks...</p> <p>T5-Best Laid Plans: Strategies, Tools, and Lessons Learned Evaluating a New Promotora-Centered...</p> <p>T5-Facilitating Office Visits after a High-Risk Asthma Event</p>	<p>Session BO-20 T3-Responding to all Phases of a Disaster: An Overview of HSB's DERT Tools, Templates, & Documents</p> <p>T1-Proposals for an International Training Initiative to Tackle Global Issue in Enviro Public Health Disasters</p> <p>T1-The Sendai Framework for Disaster Risk Reduction 2015-2030: What does this mean for the scientific & health community</p>	<p>Session BO-21 T2-Workgroup Suggestions for Home-Based Strategies to Decrease Asthma</p> <p>T2-Using In-Home Asthma Services to Improve the Health o Low Income Children w/Asthma</p> <p>T2-There's no Place Like Home for Asthma Education</p>
<p>Session BO-18 T2-The Price of Beauty</p> <p>T4-Exposure of Artificial Turf & Potential Health Effects-A Summary of the Literature</p> <p>T2-Sewer Gas Odors & Related Health Concerns at a Middle School in CO</p>	<p>Session BO-19 T5-Estimated Reduction in EMS-treated Asthma Attacks...</p> <p>T5-Best Laid Plans: Strategies, Tools, and Lessons Learned Evaluating a New Promotora-Centered...</p> <p>T5-Facilitating Office Visits after a High-Risk Asthma Event</p>	<p>Session BO-20 T3-Responding to all Phases of a Disaster: An Overview of HSB's DERT Tools, Templates, & Documents</p> <p>T1-Proposals for an International Training Initiative to Tackle Global Issue in Enviro Public Health Disasters</p> <p>T1-The Sendai Framework for Disaster Risk Reduction 2015-2030: What does this mean for the scientific & health community</p>	<p>Session BO-21 T2-Workgroup Suggestions for Home-Based Strategies to Decrease Asthma</p> <p>T2-Using In-Home Asthma Services to Improve the Health o Low Income Children w/Asthma</p> <p>T2-There's no Place Like Home for Asthma Education</p>		
2:05 p.m. – 3:05 p.m.	<table border="1"> <tr> <td> <p>Session BO-22 T4-The Green Housing Study</p> <p>T2-Using Local Data to Improve NYC Air Quality-Addressing Heating Fuels</p> <p>T4-Inadequate Heat Poses Significant Environmental Public Health Threat in NYC</p> </td> <td> <p>Session BO-23 T3-Using NYC Tracking Data to Engage Community Groups in Making Homes Healthier</p> <p>T2-Exposure to Arsenic in Households after Bottled Water or Treatment System Interventions</p> <p>T1-Assesment of Bisphenol-A Migration from Polycarbonate Plastic Carboys into Water Under Different Conditions: One Year Follow Up</p> </td> <td> <p>Session BO-24 T4-Environmental Surveillance Activities at NJDOH: A New Use of Real Time Emergency Dept. Registration Data</p> <p>T4-Using Death Certificates for National Natural Disaster Mortality Surveillance</p> <p>T4-International Comparison of the Instigation & Design of Health Registers in the Epidemiological Response to Major...</p> </td> <td> <p>Session BO-25 PHE T4-co+Impact: Understanding the Impact of CO Poisoning in the UK</p> <p>T4-Hospital Admissions due to CO Poisoning in England(2001-2010)</p> <p>T4-Circumstances of Fatal CO Poisonings: A Survey of Text from Coroners Narrative Reports</p> </td> </tr> </table>	<p>Session BO-22 T4-The Green Housing Study</p> <p>T2-Using Local Data to Improve NYC Air Quality-Addressing Heating Fuels</p> <p>T4-Inadequate Heat Poses Significant Environmental Public Health Threat in NYC</p>	<p>Session BO-23 T3-Using NYC Tracking Data to Engage Community Groups in Making Homes Healthier</p> <p>T2-Exposure to Arsenic in Households after Bottled Water or Treatment System Interventions</p> <p>T1-Assesment of Bisphenol-A Migration from Polycarbonate Plastic Carboys into Water Under Different Conditions: One Year Follow Up</p>	<p>Session BO-24 T4-Environmental Surveillance Activities at NJDOH: A New Use of Real Time Emergency Dept. Registration Data</p> <p>T4-Using Death Certificates for National Natural Disaster Mortality Surveillance</p> <p>T4-International Comparison of the Instigation & Design of Health Registers in the Epidemiological Response to Major...</p>	<p>Session BO-25 PHE T4-co+Impact: Understanding the Impact of CO Poisoning in the UK</p> <p>T4-Hospital Admissions due to CO Poisoning in England(2001-2010)</p> <p>T4-Circumstances of Fatal CO Poisonings: A Survey of Text from Coroners Narrative Reports</p>
<p>Session BO-22 T4-The Green Housing Study</p> <p>T2-Using Local Data to Improve NYC Air Quality-Addressing Heating Fuels</p> <p>T4-Inadequate Heat Poses Significant Environmental Public Health Threat in NYC</p>	<p>Session BO-23 T3-Using NYC Tracking Data to Engage Community Groups in Making Homes Healthier</p> <p>T2-Exposure to Arsenic in Households after Bottled Water or Treatment System Interventions</p> <p>T1-Assesment of Bisphenol-A Migration from Polycarbonate Plastic Carboys into Water Under Different Conditions: One Year Follow Up</p>	<p>Session BO-24 T4-Environmental Surveillance Activities at NJDOH: A New Use of Real Time Emergency Dept. Registration Data</p> <p>T4-Using Death Certificates for National Natural Disaster Mortality Surveillance</p> <p>T4-International Comparison of the Instigation & Design of Health Registers in the Epidemiological Response to Major...</p>	<p>Session BO-25 PHE T4-co+Impact: Understanding the Impact of CO Poisoning in the UK</p> <p>T4-Hospital Admissions due to CO Poisoning in England(2001-2010)</p> <p>T4-Circumstances of Fatal CO Poisonings: A Survey of Text from Coroners Narrative Reports</p>		
3:05 p.m. – 3:20 p.m.	Afternoon Break				

Thursday, January 28, 2016

Day 3

3:20 p.m. – 4:00 p.m.	Session BO-26 PHE T4-Intergrating Disaster Epidemiology into Disaster Management T2-Minimising Public Health Impact through the Use of a tool to Inform Shelter-in-Place Decisions...	Session BO-27 T2-EHHE in Action: The Role of Environmental PH in Multiagency Collaboration of Unconventional Oil & Gas Research T2-PH Response to Oil & Gas Development in CO	Session BO-28 T4-Investigation of Health Complaints Related to Residential Proximity to Wind Turbines: the WI Experience T4-Agricultural Pesticide Use of Near Public Schools in CA	Session BO-29 PHE T2-Lead-Tainted Water Incident in Hong Kong Special Administrative Region (HKSAR), China T5-Lead poisoning in children; evaluation of a pilot surveillance system in England, 2014-15
4:00 p.m. – 5:00 p.m.	Closing Plenary - Judy Qualters - Adjourn – PL-3			

Friday, January 29, 2016

½ Day

Time	Sessions				
7:30 a.m. – 8:30 a.m.	Grantee Check-In				
8:30 a.m. – 9:45 a.m.	Grantee Meetings – Collaborative PI/PM Meetings (Only current EHHE Grantees/Partners)				
9:45 a.m. - 10:00 a.m.	Morning Break				
10:00 a.m. - 1:00 p.m.	Grantee Meetings APRHB/Asthma Program	Grantee Meetings Climate and Health	Grantee Meetings EHTB – Tracking Program	Grantee Meetings HSB	Grantee Meetings RSB
10:00 a.m – 1:00 pm	Special Emphasis Meetings: PHE & NCEH Subject Matter Experts				
1:00 p.m.	Adjourn
